I) Goals of the Session

Data Emphasis Area Breakout Session Goals

- **Understand the Traffic Records System**
- **Understand the Data Challenges**
- **Understand Current Proposed Data Improvement Projects**
- **Understand how the SHSP Data Team and the STRCC will integrate**
- **Discuss other Data Concerns and Potential Strategies for Data Improvement**

2) Data Systems

3) Existing Projects

4) Additional Strategy Ideas

5) Strategy Priorities

Priority Strategy Questions

- Which strategies have a known, quantified, beneficial level of performance?
- Which strategies are the most cost effective?
- Which strategies best address transportation equity issues?
 - Disadvantaged populations
 - Elderly
 - Disabled
- Do some strategies apply more to geographic contexts such as urban vs rural?
- Do some strategies apply more to jurisdictional contexts (state, county, municipal)?

6) Emphasis Area Team Membership

Emphasis Area Team Membership

- Emphasis Area Teams are expected to continue over the next 5 years.
- Emphasis Area Team priority is to establish Action Plans by the end of February.
- Half day meetings to take place first week of February with a follow ups to be scheduled.
- Potentially two or more additional meetings before June.
- Emphasis Area Teams will meet periodically once the SHSP is in place.
- Team Members may be expected to take the lead on action items implementation.
- If interested in Team Membership, please email to www.saferoadsforallnj.com or contact the Team Leader.

Final Thoughts

Data Session Key Takeaways
